

AGENDA

April 15, 2010 Meeting

Lower Feather River Corridor Management Plan Meeting

A collaborative strategy for optimizing management of the Lower Feather River corridor

“The purpose of the Lower Feather River Corridor Management Plan (CMP) is to develop an integrated strategy and a long-term vision for management of the river corridor that integrates and promotes economic sustainability and compatibility in future land uses, flood protection system management, maintenance of flood control facilities, and the restoration and enhancement of ecosystem functions and habitats.”
